2026-2027 School Release Form

Please provide your permission for photos and field trips by initialing next to each description below and providing your signature below.

Photo Release: During the course of the school year, Parkmont faculty and staff take photos of students in class, on field trips and at all school events. These photos are used in many ways by the school. Photos can be a part of a lesson in class, displayed within the building, put in a school publication, or on the school's website.

____ I give permission for Parkmont faculty and staff to photograph my child and use those photographs in any way that is listed above or that the school feels appropriate.

____ I do *not* give permission for Parkmont faculty and staff to photograph my child.

Field Trip Permission: The nature of the academic program at Parkmont frequently calls for class-related field trips. Rather than send a permission slip home with a student before each of these trips, we would like to have your "permanent permission" on file for this academic year. This permission does not include full day or overnight trips. **Please write "*yes*" if you give permission or "*no*" if you do not, below.**

____ I recognize that there is risk of injury inherent in any activity which takes place off the Parkmont School campus. I agree to indemnify and hold harmless Parkmont School, and its teachers, directors, administrators and agents, from any injuries, costs, or liabilities which may occur as a result of my child's participation in these field trips and any transportation relating thereto.
